Subject: Ottertail County Weed Inspection Training

1. The annual weed inspector training was conducted at Perham City hall and on-line with Zoom. East Ottertail County Agricultural Inspector Aimee Duchene conducted the training and Mitchell Janson, Wadena County Agricultural Inspector was also present.
2. The state 2021 Noxious Weed List was gone over with the additions of Japanese Honeysuckle to the Eradicate list and Bohemian Knotweed to the Control list in 2020. Both of the new weeds are not found in Ottertail County.
3. Two weeds were added to the Restricted weed list in 2020: European Alder and Siberian Peashrub.
4. Procedures for inspection and notification remain the same as previous years.
