## Eastern Township Weed Inspection

1. A weed inspection of Eastern Township was conducted by Bob Lahman, Supervisor, Mike Lage, Supervisor and Jason Moller, Supervisor for noxious weeds on the Minnesota list of noxious weeds.
2. Noxious weeds were identified on one property in Wykeham Township and in the right of way on highway 46 and 69.
3. Notifications will be made to Wykeham Township and Ottertail County.
4. Cow Parsnips is becoming more prevalent in our township and although it is not on noxious weed list. I will put something on the township website about it.
