

Eastern Township

PO Box 260, Parkers Prairie MN 56361

17 August 2021

Dear Landowner

This letter is in regards to a noxious weed infestation on property owned by you. On August 17, 2021 a Eastern Township weed inspector conducted a follow-up inspection of your property identified as having an infestation of noxious weeds. A form was sent to you identifying the location and type of weeds observed.

It was noted that the majority of the noxious weeds were cut down and that the infestation on your property no longer existed.

If you have any questions or need further assistance, please feel free to contact Mike Lage, Local Weed Inspector for Eastern Township at 320-533-0760 or East Otter Tail County Agricultural Inspector at 218-346-4260 ext. 3.
