

2023 Annual Township Weed Report

Minnesota Statute 18.81

- 1) There were 2 weed inspection tours conducted in Eastern Township this year and 2 follow-up inspection.
- 2) There were 21 landowners contacted about voluntary compliance of the noxious weed program.
- 3) Noxious weeds that are a concern in Eastern Township are Wild Parsnips, Canada Thistle and Plumeless Thistle.
- 4) Thirty seven miles of road ditch were sprayed for noxious weeds and brush at a cost of \$2,627.50.
- 5) The Township mowed ditches 3 times in 2023 with the last mowing extending further into the ditches to help prevent drifting in winter months. Cost of mowing was \$3,282.70.
